

CTP Graduate fellowship

Ph.D. and M.Sc. programs In theoretical particle physics and cosmology

Applicants should submit their CVs before October 31st, 2008.

The Center for Theoretical Physics (CTP) at the British University in Egypt (BUE) invites applications for two graduate fellowships in theoretical particle physics and cosmology, starting in January, 2009.

We are seeking candidates with a reasonable background in this research area, who have started (or will start soon) Ph.D. or M.Sc. program.

Applicants should submit a Curriculum Vitae, a list of publications, Academic Credentials a brief description of research interests and should have three letters of reference sent directly to ctp@bue.edu.eg before October 31st, 2008.

For more information, please visit: <http://ctp.bue.edu.eg>
